

A TRADITION SINCE 1963

SERVING THE FAYETTEVILLE COMMUNITY FOR OVER 60 YEARS!

When founder Chris Poulos opened our now legendary Chris's Steak House he had one thing in mind and that was to serve the highest quality steaks and seafood without compromise.

Greg Kalevas joined Chris in 1979 as an apprentice to the revered founder. Greg was eager to learn, working side by side with Chris and later his son, Luke. He quickly became a partner and eventual owner after Chris retired and Luke pursued other interests.

Our passion for great food and exceptional service has been the hallmark of our success since 1963. Hand-cut steaks from carefully aged Angus beef and fresh seafood are still cooked over hardwood coals in our open hearth which overlooks our main dining room.

We have earned several generations of loyal customers, all who have become our best of friends along the way. We look forward to serving you and your family for many years to come.

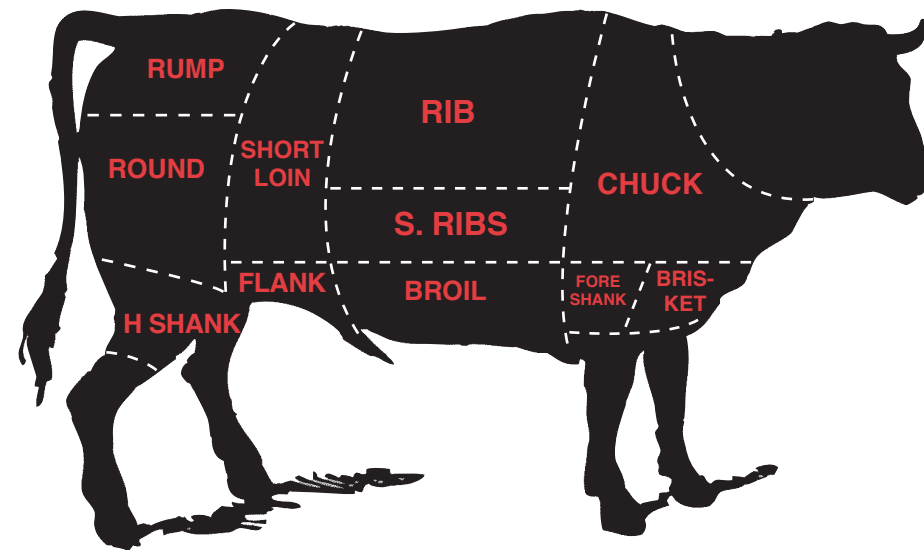

Thank you,

Your Host,

Greg Kalevas
